**Occupational
Health and Safety
Policy**

As ARÇELİK A.Ş. and its employees, we obey the national and international legal procedures and regulations and create a healthy and safe working environment within the scope of a Work Health and Safety Management System which is based on continuous improvement.

- We perform our activities to analyze and decrease the occupational health and safety risks arising in the working environment
- conduct training activities in order to develop and increase the awareness in occupational health and safety issues
- take measures to achieve a zero work accident rate and a zero occupational disease rate and increase productivity

accompanying the Quality and Environmental Management Systems and we strive to set a model in durable goods sector with regard to occupational health and safety efforts.
