

Independent Assurance Opinion Statement

To the Management of Arçelik A.Ş.

Scope and Objectives :

BSI was commissioned by Arçelik A.Ş. (hereinafter “Arçelik”) to conduct independent assurance of its 2020 Sustainability Report (‘the Report’), as published on the company’s website at <https://www.arcelikglobal.com/en/sustainability/sustainability-reports/all-reports/> and to carry out an independent verification of total water withdrawal by source and waste, social and occupational health and safety indicators.

Our assurance engagement was planned and carried out in accordance with AA1000 Assurance Standard AA1000AS v3.

BSI’s approach

BSI’s assurance engagements are carried out in accordance with our verification procedure. Reviewing the data collection and consolidation processes used to compile selected data, including assumptions made, and the data scope and reporting boundaries; We planned and performed our work to obtain the evidence we considered necessary to provide a basis for our assurance opinion. We were engaged to provide Type 2 moderate level assurance, which covers:

- Evaluation of adherence to the AA1000AS v3 principles of inclusivity, materiality and responsiveness and impact (the Principles); and
- The reliability of specified sustainability performance information along with related claims in the report including:
 - Desk review
 - Site visit
 - Data sampling
 - Reporting
